**LAWLIFT**

legalBase

**The Tech & Law Camp's second edition is dedicated to young people.**

Are you a law student or trainee looking for hands-on experience on how to use tech solutions in the legal field (otherwise known as legal tech)?

Or, are you a student or trainee in any other field relating to tech, digital etc. and want to attend an event with lawyers and future lawyers?

Then this is the event for you!

The Tech & Law Camp was introduced by RAILS to foster exchanges between lawyers and non-lawyers regarding the future of tech in law and law in tech.

**This time we will have lawyers and startups help you explore the possibilities in a digital legal world, test real-life tech solutions and more.**

Plus, the event will be free and there will be food and drinks!

## Preliminary Timeline

- 09.00 Registration
- 09.30 Welcome
- 10.00 Legal Tech Landscape
- 10.45 Coffee Break
- 11.00 Workshops
- 13.00 Lunch Break
- 14.00 Workshops
- 17.30 Wrap-up
- 19.00 Food and Drinks

Space is limited so sign up fast. The registration deadline is 10 October.

To sign up contact [Kristina.Samstag@cliffordchance.com](mailto:Kristina.Samstag@cliffordchance.com). If you are interested in internships, traineeships etc. feel free to attach your CV.

**Health warning:** The language of workshops and events may vary between English and German. If you are not fluent in either language do let us know when you sign up.
